"MODERN PEDAGOGICAL EDUCATION IN INTERNATIONAL, NATIONAL, AND REGIONAL DIMENSIONS"

INFORMATION LETTER

Samarkand State University named after Sharof Rashidov, in collaboration with the Samarkand State Institute of Foreign Languages and the Shakhrisabz State Pedagogical Institute, invites you to participate in the International Conference on Pedagogical Education "ICTE-2025: UZBEKISTAN", which will be held from **June 3-5, 2025**.

The main conferences of their areas of focus:

📌 **June 3, 2025 – Practice-Oriented Training of Student Teachers: University-School Partnership Models** *(*Samarkand State University named after Sharof Rashidov*)*

- Modern Models of University-School Partnership
- Digital Technologies in Practice-Oriented Learning
- Mentorship and Support for Young Educators
- Inclusive Education and Working with Children with Special Needs

□ **June 4, 2025 – Pedagogical Education in a Multicultural World: History and Modernity** (Samarkand State Institute of Foreign Languages)

- Multicultural Education: Challenges and Prospects
- Historical Traditions of Pedagogical Education in Different Countries
- Developing Tolerance and Intercultural Communication in Future Educators

- Utilizing Digital Technologies in Multicultural Education

📌 **June 5, 2025 – The Teacher as an Educator: Mission and Challenges** *(*Shakhrisabz State Pedagogical Institute)

- The Educational Role of the Teacher in Modern Society
- Psychological and Pedagogical Support and Professional Burnout of Teachers
- Ethics and Morality in the Teaching Profession
- Innovative Approaches to Education in Educational Institutions

Official Conference Languages: Uzbek, English, Russian.

Objective: - discussing current and potential international scientific projects in the field of pedagogical education within the framework of working seminars, coordinating participants' actions, and defining implementation plans;

- presenting research findings in teacher training and pedagogical practices to exchange experiences and ideas, as well as improving the educational process.

Requirements for Formatting Submitted Abstracts: The abstracts must be written strictly according to the TEMPLATE. They should be submitted in MS Word format, using Times New Roman font (size 14), with a length of 3-5 pages and the following margins: top and bottom – 2.5 cm; left – 3.0 cm; right – 1.5 cm. The title of the abstract must be written in uppercase letters. Below the title, the authors' full names, institution name, city, and country should be indicated. The main text should be formatted with a 1.15 line spacing. Mathematical formulas should be inserted using the Insert/Formulas function. The list of references must be provided at the end of the document.

Authors bear full responsibility for the accuracy of the information presented in their theses. Abstracts that meet the requirements will be published in the official electronic collections before the start of the forum. A separate collection will be published for each conference based on its outcomes.

The International Conference ICTE-2025: UZBEKISTAN includes several conferences organized by different universities. Depending on the selected conference, abstracts must be submitted to the corresponding university responsible for its organization.

The submission deadline for electronic versions of abstracts is **May 1, 2025.** Each institution independently accepts manuscripts and is responsible for publishing its conference proceedings based on the event's results. Contact details for abstract submission are provided below.

Each participant has the opportunity to submit an article for publication in the ARPHA Proceedings, formatted in accordance with the requirements of Pensoft (https://ap.pensoft.net/about#Author-Guidelines), with subsequent verification in the Web of Science (WoS) database. The proceedings will include articles that have successfully passed the double-blind peer review process, been finalized by the authors, and accepted by the editorial board and the scientific committee of the ICTE2025 conference. This process will enable the organizers to ensure the high quality of the scientific materials.
